Re: United States v. Rasheedul Mowla  
Docket No. 18-CR-487 (AMD)

Dear Judge Donnelly:

The parties write to jointly request an adjournment of the April 12, 2021 status conference to a date at the end of April or beginning of May that is convenient for the Court. The parties are in discussions about the status of the case, including a potential resolution, which requires further discussion between defense counsel and their client. Defense counsel is expected to meet with their client later this week. The parties can provide the court with a joint status update one week before the new date to advise the court of whether a competency hearing is requested and/or whether a trial date should be scheduled.

Respectfully submitted,

MARK J. LESKO  
Acting United States Attorney
